EDUCATION

Computer science

Ecole nationale Supérieure d'Informatique

09/2016 - Ongoing Algiers, Algeria

Bachelor, mathematics series

Mustapha BEN BOULAID high school

09/2013 - 07/2016 Tizi-Ouzou, Algeria

ACHIEVEMENTS

Hack UPC Barcelona 2019

I have participated in the International hackathon, Hack UPC which is one of the biggest hackathons in Europe.

Tips App

The app is a guide for apps & games, with attractive appearance and easy navigation to use. I've sketch it with AdobeXD and programmed it with flutter, dart.

Certifications

- I have attended a CISCO training and got the CISCO certification.
- I also have the First aid certification from the Algerian Red Crescent

LANGUAGES

French, Native

English Advanced

Arabic Proficient
