ACHIEVEMENTS

✈ **Hack UPC Barcelona 2019**
I have participated in the International hackathon, Hack UPC which is one of the biggest hackathons in Europe.

🔑 **Tips App**
The app is a guide for apps & games, with attractive appearance and easy navigation to use. I've sketch it with AdobeXD and programmed it with flutter, dart.

📑 **Certifications**
• I have attended a CISCO training and got the CISCO certification.
• I also have the First aid certification from the Algerian Red Crescent
